American Weekend Entertainment Partners with reVolver Podcasts to Bring Music News with Music Daily®

Music Lovers Will Get Their Music Daily News Reports both in Spanish and English Across reVolver's Network of Podcast Platforms

NEW YORK – Jul. 6, 2022 – American Weekend Entertainment announced that it entered a multi-year syndication deal with reVolver Podcasts to distribute Music Daily news reports both in Spanish and English languages across their network of podcast platforms. reVolver Podcasts is a leader in on-demand audio geared towards multicultural consumers and is a global media platform with creators, subscribers, and fans around the world, with specific interest in the U.S. Hispanic Market.

"We are excited to partner with reVolver, the premier distributor of multicultural podcasts in the world!" said Mel Adler, President of American Weekend Entertainment. "Through their network of audio partners, our daily reports can provide millions of music fans with all the information they want about new releases, emerging artists, streaming charts, and tour updates, on-demand 24/7!"

With its fan-driven philosophy and "studio to stage" approach, Music Daily delivers authentic news coverage on all music genres including Pop, Rock, Hip-Hop, Dance, Latin, and Country. Through reVolver Podcasts, Music Daily programming will include:

- New music releases with 'Drops'
- Developing artists with 'Discoveries'
- Streaming charts and trends with 'Tracks'
- Tour and Festival updates with 'OnStage™'
- In-depth artist profiles with 'Featured Artist'

The addition of reVolver Podcasts empowers American Weekend Entertainment to expand its audience reach through daily bi-lingual audio podcasts on Apple, Pandora, Stitcher, Google, and others. Together with its existing multimedia presence, Music Daily can now reach millions of passionate music consumers worldwide with a fun and exciting user experience.

This agreement also enables reVolver Podcasts to reach the valuable Zillennial audience internationally with authentic music news and information gleaned from American Weekend's army of passionate writers and content creators.

"Music Daily is music to the ears of our loyal podcast fans. Music Lovers will get all the information they crave about their favorite artists and may discover new musicians," said Jack Hobbs, President of revolver Podcasts. "Our partnership with American Weekend Entertainment brings to podcasting fun and exciting alternatives to standard music news and information sources."

All the great reVolver Podcasts programming can be found for free to millions of listeners in the US, and around the world at www.revolverpodcasts.com, Apple Podcasts, Spotify, Pandora, Google Podcasts, Amazon Music, Deezer, iHeartRadio, Stitcher, the SXM App, and coming soon Facebook Audio.
